Testimonials

"Our evening at the Chatham Hill Winery was impressive and flowed with class and elegance. What impressed me the most about the evening was how Client focused you were. From the incredible wines selected, to the warmth of the glowing candles against the backdrop of the Barrel room was a "Hallmark" moment for sure. The Clients and my team still speak of it. My clients felt like royalty and called it a: ".5 Star dining experience." Above all...and most importantly.....I had one Goal. This was to create a surrounding where people were drawn to relax, have fun and by doing so RECONNECT with each other and build a tightly more integrated relationship with their peers and my Team. All I can say, it's that this experience at the Chatham Hill Winery achieved just that. I wish to personally thank you Jill, for a most exceptional evening."

-David Anthony, IBM

"Our experience with Chatham Hill Winery was fabulous! Preparing our event for our top clients was easy; Megan made all the fine details flow and was always available for questions. The labels we had made for the wine as a thank you gift for our clients were beautiful. I believe that at our event we had multiple clients join their wine club which says a lot about the customer service and personality of the staff that was with us that evening! Andy Fischer was the tour guide and his relaxed presence and knowledge was exceptional. I would recommend having your next event at Chatham Hill winery!"

THE ART OF WINE BLENDING

The blending process is an area of winemaking in which the winemaker can truly express him or herself through a creation of that unique masterpiece blend.

Join our Winemaker, Marek Wojciechowski, Ph.D, for an evening of great discovery and entertainment while learning the time-honored tradition of

blending wine. This program is sure to educate and impress and everyone participating will go away with their own personally labeled blend. Our winemaker will provide you with everything you need for this fantastic evening. Pricing for this program begins at \$75.pp (\$2250. minimum).

FOOD & WINE PAIRING

These days you are more likely to hear food and wine pairing suggestions rather than hard-fast rules. The beauty of this is that there is plenty of room for experimentation and expression of your own personality when it comes to pairing the right glass of vino with dinner. There are however some rules of thumb to follow. Chatham Hill's Wine Educator's will give you tips and pointers for pairing food and wine based on your chosen menu and wine selections for the evening. Pricing begins at \$60. pp and is dependent on foods and wines selected (\$1800. minimum).

SURVIVAL FOR THE WINE AMATEUR

Not understanding the first thing about the wine list at a business dinner can be a stressful. Learn the "do's" and "don'ts" and the "right" and "wrong's" of wine selection in mixed company. This is a great interactive program perfect for a new sales team or even a nice refresher for those seasoned business people. Pricing begins at \$65. pp (\$1950. minimum).

MURDER MYSTERY THEATRE

Customize a performance for your next event. Audience participation is encouraged; a good sense of humor is required! We work with an incredible local theatre troupe that will design an unforgettable evening. Call for pricing—starts @ \$2,000.

NORTH CAROLINA CHALLENGES THE WORLD

Are North Carolina Wines Holding Their Own?

North Carolina Winemakers have fought a long and noble battle in bringing NC Wines to the forefront of the Wine Industry. This Blind Wine Tasting places Chatham Hill Wines in direct comparison with wines grown and bottled in other distinguished wine regions such as California and France. This in-depth wine tasting will explore the regions, processes, and characteristics that make these wines notable and unique. Pricing begins at \$65pp (\$1950. minimum).

WOMEN & WINE

Wine is not a 'man's' world. Women are responsible for the purchasing of 52% of wine and enjoy bold and hearty reds as well as light and sweeter wines. This program introduces the ladies to Old World and New world wine history, proper glassware, purchasing wine, tasting and wine and food pairing. Pricing begins at \$65.pp (\$1950. min.)
