Wine Club Pick Up Party Sat., September 2 - 7 to 9 pm

All Club Chatham Hill Members are invited to our Wine Club Release Party. We will have an informal wine tasting of the latest releases and new wines in the Winery with Chatham Hill's owner and winemaker, Marek Wojciechowski, talking about these wines. This is a great time to pick up your wine, enjoy some music, eat some simple bites, and meet other Club Members.

Wines will be available for purchase by the glass and bottle during the evening. Your Wine Club will be ready for you at your departure.

Members may bring two guests @ \$25 each. Non-Members must be paid in full before party by calling 919-380-7135 with payment information.

We require the courtesy of a reply to attend so
please RSVP asap. Hope to see you!
