Father's Day Weekend - National Picnic Weekend! - June 16 & 17

It's often claimed that life is no picnic – but

today it is! International Picnic Day is a chance to eat out in the open air with friends and family. International Picnic Day is celebrated in many countries and the word "picnic" comes from the French, and is believed this type of informal outdoor meal became a popular pastime after the French Revolution. You could bike, drive or walk to your nearby winery, Chatham Hill Winery, and bring a picnic to enjoy

on the deck or in our "Mini Vineyard". Open a bottle of Chatham Hill wine and let things just "be". Saturday 11-7pm & Sunday 1-5pm

Thieving from the Barrel - June 23 & 24

Looking for something fun, educational, and unrivaled to do this weekend? How 'bout thieving from the wine cask? The act of 'thieving' wine is when the winemaker will taste the young wine as it is still aging and then will check on the progress frequently during the year as it matures. Be our "Winemaker for the Day" while you 'thieve from the barrel' with every winery tour. \$10pp for Tasting Plus Tax. Saturday 11-7pm & Sunday 1-5pm
